Tricks and treats
And fees and holds
Buy you a diamond
Cut from coal

But I can't
And I won't

Pick your posies, ring a rose
Pavlov's pup gotta hit the road

But I can't
And I won't
But I might

Ooh, I'm not a baby no more [x2]

I'm never far behind
When my daddy's corrupting my mind
[x2]

And I'm downright denim clad
I'm pulling teeth from toothy fad

And I can
But I won't

Cuz I plucked my brows just to look the part
Wanna sink my line to a catchy heart

But I can't
And I won't
But I might

Ooh, I'm not a baby no more [x2]

I'm never far behind
When my daddy's corrupting my mind
[x2]

But I'm one step ahead.

I'm sick of drooling every time I hear your bell ring
But I open the door when you pull my drawstring.
Get it?

Ooh, I'm not a baby no more [x5]

I'm never far behind
When my daddy's corrupting my mind
[x2]
