Mornin' till dawn
Been going so long
And it's too bad if you
Ain't keepin up with us
'Cause I am

Fighter
Won't catch me
Hidin' it
I am the fire to your
Fever
Make you a believer

Mornin' till dawn
Been going so long
No need to launch
I never turn it off
I'm always gonna
Charge ahead and
Lift the bar again
'Cause I am

Riot
Won't catch me
Hiding it
I am the rhythm of your
Drive
Keep it alive

Cast me off I'll reel ya in
Meet me there I say "Where ya been?"
If you're still
I'll push you uphill

The rhythm the drive the fever the fire
The rhythm the drive the fever the fire
The rhythm the drive the fever the fire
The rhythm the drive the fever

Mornin' till dawn
(Been goin' so long long long)

Been goin' so long
(Been goin' so long long long)
No need to launch
(Been goin' so long long long)
I never turn it off
(Been goin' so long long long)
Mornin' till dawn
(Been goin' so long long long)
Been goin' so long
(Been goin' so long long long)
No need to launch
(Been goin' so long long long)
I never turn it off
(Been goin' so long long long)
Mornin' till dawn
