She can rob a bank, no one cares
Steal your heart, with a smile
Rob a bank, no one cares
Steal your heart, with a smile
Rob a bank, no one cares
Steal your heart, with a smile
Rob a bank, no one cares
Steal your heart, with a smile

She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
Crack up

She's ten, ten times smarter then you'll ever be
She's ten times smarter then you'll ever be
She's ten, ten times smarter then you'll ever be
She's ten times smarter then you'll ever be

She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
Crack up
Wopopopop before she crack me all up now
There is no way that I think this will stop now
She is the topic I know I can't stop it
There's millions of girls, but she loves only profit
I don't know what I'm doing, but I know which way we're
moving
Like the rest of us we're grooving and we're grooving
and we're grooving
So

Rob a bank (you can do it) no one cares (no one cares)
Steal your heart (I can do it) with a smile (we can do it)
Rob a bank (rob a bank) no one cares (and no one
cares)
Steal your heart (you can do it) with a smile (you can do
it)

Rob a bank (rob a bank) no one cares (no one cares)
Steal your heart (and you can do it) with a smile (with a smile)
Rob a bank (you can do it) no one cares (rob a bank)
Steal your heart (with a smile) with a smile (you can do it)

She's that kind of girl that makes you want to
She's that kind of girl that makes you want to
She's that kind of girl that makes me want to
She's that kind of girl that makes me want to
Crack up
