It's not the flowers, wrapped in fancy paper  
It's not the ring, I wear around my finger  
There's nothing in all the world I need  
When I have you here beside me, here beside me  
CHORUS  
So you could give me wings to fly  
And catch me if I fall  
Or pull the stars down from the sky  
So I could wish on them all  
But I couldn't ask for more  
'Cause your love is the greatest gift of all  
In your arms, I found a strength inside of me  
And in your eyes, there's a light to guide me  
I would be lost without you  
And all that my heart could ever want, has come true  
CHORUS  
You could offer me the sun, the moon,  
And I would still believe  
You gave me everything  
When you gave your heart to me  
CHORUS
