Nigga ain't no disrespecting my vibe, my vibe

[Verse 1:]

Ask Aretha, I'm all about my Franklins and Roosevelts  
You know me well, fuck what you felt  
Pussy niggas get dealt stay strapped while your face

Got a nigga looking funny like stand-up  
Nigga man up, what the fuck, in the cut  
Throw a verse up so tough, off their head like dandruff  
If I ain't sick what you call that?  
Tell a pussy nigga just fall back, all that  
I'm like a tattoo bitches just want to see me on their  
lower back  
Ain't no disrespect, if a nigga object  
I'm in depth my subjects keep a nigga in check  
It's like that, it's SR and you know the rep  
Drag a nigga by his neck, get his face deck UGHH!

[Chorus x2]

[Hook x2]

[Verse 2:]

Any one of you bitches can get it  
Nigga dick or pussy, it don't make a difference, my

By the bitch in the club on the pole in the g-string

Yup, ya'll niggas better slow down  
Before Ballgreezy have the bitch roped off

So what you're a rich ass nigga  
To me you're still a bitch ass nigga  
You can get it dog quick fast nigga  
Put the five to your sissy ass nigga

And make a nigga check out like Nikes,

And I keep this dick in their wifey

[Chorus x2]

[Hook x2]

[Verse 3:]

One eight letter, "R" stay hot like sweaters  
The girls get wetter, I'm 'bout my mozzarella
