Revolution, revolution
Proceed mission bride injection
Operation mass destruction
Disengage governed protection
Nation damnation
World domination

Revolution institution coming to ya
Smells of revolution
Revolution evolution coming to ya
Smells of revolution
This is my revolution

Prosecute draw conclusion
Penetrating persecution
Exucute project intrusion
Nation
Damn nation
World masturbation

Revolution institution coming to ya
Smells of revolution
Revolution evolution coming to ya
Smells of revolution
Revolution prostitution coming to ya
Smells of revolution
Revolution institution coming to ya
Smells of revolution

Brothers and sisters
Were your synthetic poetic burlesque
Stereotyped T.V. addicted force-fed
On the non apologetic private mission
You misunderstood white trash rats of today
