We all... fall... down

Drankin that Fall Down Brew  
Hoe, let me fall down on you  
Fall into my lap, then take a nap  
Then call your sister she can fall down too

Oh yeah drink it drink it drink it (drink it) fat bitch swig it  
Let's kick it, get on your knees lick it lick it lick it lick it  
The Fall Down Brew, chug it, don't swig it, once you  
pass out  
The titties gettin sucked your pussy gettin fingered  
Born to get laid drink it the Fall Down (down)  
Bitches think I'm attractive and wanna fuck me once  
they drink it all down  
Pour some on my dick and use it as a prophylactic  
Pour some on your pussy watch your pussy do a  
backflip  
Catch my dick, it can please ya nice  
I dick the Fall Down Brew and stick my dick in  
Condaleeza Rice  
I raped Dick Cheney with a shotgun  
Sewed Hillary Clinton's meadow, and that's after  
drinkin just one  
The Fall Down

"I fell down a flight of stairs man"
