This nigg-err I mean this brother is from New York City
He's a Northern boy
He's down here promotin his malt liquor jingles LP
But we have to let him KNOW, that we have our own
beer down here
Yes we do it's called Hillbilly Beer, yes it is

Hillbilly Beer! The fuck? !

Let me tell you about it (YEE-HAW~!)

Hey Chief Chinchilla, dolo bird killer
I'm a boss hog and I don't drink Miller
But everytime, I roll through the South
I gotta put a Hillbilly Beer to my mouth
Go to a hoedown and make a hoe go down
Put frostin on my dick and put the 40 to my lips
And sip... my Hillbilly Beer
Cause ain't no fuckin St. Ides around here

Boss Hog go tell Daisy Dukes get her big titty ass in
here
And bring me my fuckin beer BITCH!

Alright I had about enough of this redneck shit
I'm a get the fuck outta here 'fore I get shot
