Billy Dee Williams is that you?  
Aww brother I'm a big fan, my name is Chief Chinchilla  
man  
I grew up watchin you man  
Yo there's a lot of fine women in this party  
What should we be givin 'em to drink man? Let me  
know man  
"You wanna know why you should keep plenty of Colt  
45 on hand? "  
Why's that Billy? "You never know when friends might  
show up"  
Yes~! Pass my Nu-Nile nigga

Billy Dee Williams and Chief Chinchilla  
House party full of women and they all drinkin Miller? !?  
Got our fingerwaves and silk suits... lookin lovely  
But we don't drink Miller, and we don't drink bubbly  
Lookin for somethin PEYIMP, but classic  
Cause bubbly is too bougie and Olde E is just too nasty  
Billy Dee told me, "Colt 45"  
Let's give it to these hoes cause it works every time  
(Don't let the smooth taste fool ya) because we'll pull  
out your weave  
Put our gators in your ass, and tell you to leave  
BITCH!

Real man drink  
So smooth, and silky  
I feel like puttin some Nu-Nile, in my chinchilla fur  
{"The power of Colt 45"}  
Chief Chinchilla and Billy Dee Williams keepin it real

"Ohhh... so this is what a real man drinks! Thank you"  
That's right baby
