8 Ball (does it remind you) of piss
Miller (does it remind you) of piss
When I drink Coors it remind me of piss
All of these beers, taste like SHIT~!
Heineken (does it remind you) of piss
Bud Light (does it remind you) of piss
Pabst Blue Ribbon it reminds me of piss
Why y'all fools be drinkin them shits!

S-T-crooked-I-D-E-S
The only malt liquor that pass the taste test
I walk with a lean when I down me a brew
And if you touch my Crooked I, I'm a down you too
nigga
Fuck you up over a two dollar beer
Find me a girl then pull off her brasierre
She see the St. Ides, I run up in it
Then we off to White Castle for an onion ring dinner
When I'm sick, and I need to recoup
I mix St. Ides with my won-ton soup

Red Stripe (does it remind you) of piss
Colt 45 (does it remind you) of piss
Zima, damn it reminds me of piss
All of these beers, taste like SHIT~!

And the bottom line is when I wake up the next mornin
To take a piss my piss better be yellow that's why I
don't fuck with Zima
