"Astrology, mysterious science of the stars  
The science of life itself, fascinating stories of life  
I'd like to tell you a story... "

Aiyyo Chief Chinchilla  
I seen you walkin down the block the other day with a  
12 girl harem  
And all 12 girls had different flavors of malt liquor  
Whassup with dat man?

That's called Zodiac Pimpin playboy  
I got a Pisces, bitch same sign as me  
An Aries I been fuckin since '93  
I got a Taurus with teeth like a walrus  
But she give head so it's fine with me  
I got a Gemini, bitch see the king in I  
I got a Cancer that let's me bust in her eye  
I got a dancer, a Leo, ferocious in bed  
When ee drink Zodiac 40-o's to the head  
I got a Virgo but she get on my nerves yo  
I got a Libra, this chick named Lisa  
My Scorpio's broke so I duck the bitch  
My Sagitarrius chick only get one gift  
Christmas or birthday, one or the other  
My Capricorn broad I got beef with her mother  
My Aquarius is cute but queer  
And all my hoes drink Zodiac beer, give it to me

I got a harem of 12 girls, 12 different malt liquors  
One for every Zodiac (that's beautiful) knahmean?  
That's called Zodiac Pimpin, and if you want a sip  
Bitch buy your own
