I turn of the light
But leave the television talking
Oh tonight I don't wanna be alone
I try to close my eyes
but I'm afraid of the dark
I see you everywhere
I see you everywhere

But death comes so slow
When you're waiting
When you're waiting to be taken
And death comes so slow
When it's all you want
And it takes the ones that don't
Death comes so slow
And death comes so slow
And death comes so slow
And death comes so slow
And death comes so slow

I try to close my eyes
But i'm afraid of the dark
I see you everywhere
I see you everywhere
I try to close my eyes
But i'm afraid of the dark
I see you everywhere
I see you everywhere

But death comes so slow
When you're waiting
When you're waiting to be taken
And death comes so slow
When it's all you want
And it takes the ones that don't
Death comes so slow
And death comes so slow
And death comes so slow
And death comes so slow
And death comes so slow
And death comes so slow

And death comes so slow
