Somebody once told me the world was gonna roll me
I ain't the sharpest tool in the she'd
She was looking kinda dumb with her finger and her
thumb
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming
Back to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on, get paid
(And all that glitters is gold)
Only shooting stars break the mold

It's a cool place and they say it gets colder
Bundled up now wait 'til you get older
But the media man beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The waters getting warm so we might as well swim
My world's on fire how about yours
That's the way I like it cause I never get bored

Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on, get paid
(And all that glitters is gold)
Only shooting stars break the mold

Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on, get paid
(And all that glitters is gold)
Only shooting stars...

Somebody once asked, "could you spare some change

for gas
I need to get myself away from this place"
I said yep what a concept
I could use a little fuel myself
And we could all use a little change.

Well the years start coming and they don't stop coming
Back to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do so much to see
So what's wrong with taking the back streets
You'll never know if you don't go
You'll never shine if you don't glow

Hey now you're an All Star get your game on, go play
Hey now you're a Rock Star get the show on, get paid
(And all that glitters is gold)
Only shooting stars break the mold

(And all that glitters is gold)
Only shooting stars break the mold
