It ain't no joke  
I'd like to buy the world a toke  
And teach the world to sing in perfect harmony  
And teach the world to snuff the fires and the liars  
Hey I know it's just a song but it's spice for the recipe  
This is a love attack  
I know it went out but it's back  
It's just like any fad it retracts before impact  
And just like fashion is a passion for the with it and hip  
If ya got the goods, they'll come and buy it just to stay  
in the clique

So don't delay, act now, supplies are running out  
Allow, if you're still alive, six to eight years to arrive  
And if you follow, there may be a tomorrow  
But if the offers shun you might as well be walkin' on  
the sun

Twenty-five years ago, they spoke out and they broke  
out  
Of recession and oppression and together they toked  
And they folked out with guitars around a bon fire  
Just singin' and clappin', man what the hell happened  
Some were spell-bound, some were hell-bound  
Some they fell down and some got back up  
And fought against the melt-down  
And their kids were hippie chicks, all hypocrites  
Because fashion is smashin' the true meaning of it

So don't delay, act now, supplies are running out  
Allow, if you're still alive, six to eight years to arrive  
And if you follow, there may be a tomorrow  
But if the offers shun you might as well be walkin' on  
the sun

It ain't no joke when Mama's handkerchief is soaked  
With her tears because her baby's life has been  
revoked  
The bond is broke up so choke up and focus on the  
close up  
Mr. Wizard can't perform no God-like hocus pocus

So don't sit back, kick back, and watch the world get  
bushwhacked  
News at ten o'clock your neighborhood is under attack  
Put away the crack before the crack puts you away  
You need to be there when your babies are old enough  
to relate

So don't delay, act now, supplies are running out  
Allow, if you're still alive, six to eight years to arrive  
And if you follow, there may be a tomorrow  
But if the offers shun you might as well be walkin' on  
the sun  
You might as well be walkin' on the sun  
You might as well be walkin' on the sun  
You might as well be walkin' on the sun  
You might as well be walkin' on the sun
