(Messias)

what could i tell you,
what could i tell you in english now?
if your eyes look like me, they look like me
it looks like you, you, like me
if i'm loosing myself again, if i die everyday
i wake up to die everyday
when i grow up, i wanna be
when i grow up i wanna be like you
calling, calling, calling again
calling, calling, calling your name
why don't you bring me a new day
why don't you bring me a new face, your rosy face?
and your rosy face looks like, it looks like me,
looks like you, it seems to you
i think i look like you. i think i look like you,
i think i'm you
come on, come on, come on again
come on, come on, come on again
come, come , come,
destroy me again
