hhhhhhhhh aaaaaaa, hey..

Gotta try to make you understand,

that there is something that you have to change,

you tell me i'm your world, your everything,

i love you but i can't go on like this

you have to exsept me for who i am,

and now you try to turn me into someone else

you have to let it go cause it's not right..

ref: Cause you don't have to tell me,

all the things i already know, babe,

keep it to yourself,

don't tell me, how to live my life no more.

You don't have to tell me,

what to say or whah to do, babe,

keep it to yourself, don't tell me,

how to live my life nomore,

i'll leave you babe, don't you know.

I'm with you by my side, but i can't hide,

boy i feel inside it make me cry,

you maked me belive that i'm the one,

but baby, after all the things that you done,

you have to let it go,

cause it's not right...

ref:

stick: i looked to myself and i liked what i see,

all the things that on your mind,

i want you in my life, but i want you to stop..

tell me how to run my life.

just keep it to yourself..

don't tell me, all the things i already know, babe,

keep it to yourself, don't tell me,

how to , live my life no more,
