"Anywhere USA"

Visit "[Anywhere USA](#)" on MotoLyrics.com

Performed by P.Y.T.)

Everywhere we go we see you

We feel the energy you've given back to us

We've traveled many miles to be with you

And we'll do it again just because

Because between us theres no distance

Even though we come from many worlds apart

It really doesn't make a difference

Anyway anyhow where we are

Being here with you this way

Reminds us of a place

CHORUS:

Anywhere USA

No matter where we go

London Paris Rome

It feels like

Anywhere USA

It never to feels too far away from home

From home ooh anywhere

Everybody's got a bad bone

Let's get together raise the roof right off this house

We speak the language, the same one

Isn't that what it's all about

Being here with you this way

Reminds of us a place

CHORUS:

Anywhere USA

No matter where we go

London, Paris Rome

It feels like

Anywhere USA

It never to feels too far away from home

From hooooooooome

Anywhere USA

No matter where we go

New York Tokyo

It feels like

Anywhere USA

It never feels too far away from home

Do what we're saying

When the groove is playing

Keep it moving cause you'll never want to stop

This is what we have together

Ohh can't get no better

Anywhere is home when you got what we've got

Anywhere (Anywhere)

Anywhere (Anywhere)

Anywhere (Anywhere USA)

We're goin' Tokyo or New York City,

Canada Paris Miami

We raise the roof, we're PYT

Rock the world we're all family

Anywhere is home when you got what we got

Kick back relax until we hit your spot

Boston, DC, LA, and Philly, Bombay

Anywhere USA

Hey hey hey hey hey anywhere USA

Anywhere USA

No matter where we go

London Paris Rome

It feels like

Anywhere USA

It never to feels too far away from home

Hey hey hey hey hey anywhere USA

Anywhere USA

No matter where we go

New York Tokyo

It feels like

Anywhere USA

It never feels too far away from home

Hey hey hey hey hey anywhere USA

Anywhere USA

No matter where we go

New York Tokyo

It feels like

Anywhere USA

It never feels too far away from home
