Performed by Blaque, Natina, and Brandi

(Natina)(Brandi)

Uh, uh, uh, uh, uh

Yo, yo (ooh yeah)

Let me explain this to you

See I'm not gonna let you run me

How we're gonna do it is...

I'm gonna run you

[Brandi]

You, you've got a lot of nerve

I guess you haven't heard

I'm doin' fine out here on my own

You, you think that you can come

Around here for some fun

But boy you've got a lot to learn

[Blaque]

Don't shake your head from side to side

Saying that you've changed enough

That you see the light

Cuz you just say what you say

And want your way

And it's that game that you play

It's a little late

[Blaque]

As if

I'm ever gonna take you back

As if

It's ever gonna come to that

So see you 'round, wave goodbye

Be a bird pass me by

As if

I'm gonna let you break my heart again

As if I'm gonna let your love back in my life

Not tonight, get a grip

Baby as if

[Natina](Brandi)

Come on (oh, oh) come on

(Oh, oh, oh, oh)

Uh-huh, uh-huh, yeah

(Oh, oh)

[Brandi](Shamari & Natina))

You seem to think that I (I)

Ain't got no sense of pride (Pride)

Well boy you got a weird perception now (Yo)

Of what it is to love (Love)

And I am sure because (Because)

You got the look of desperation

[Blaque]

Don't shake your head from left to right

Saying that you will when you won't ever see the light

And you just say what you say and want your way

And it's that game that you play

It's a little late

[Blaque]

As if

I'm ever gonna take you back

As if

It's ever gonna come to that

So see you 'round, wave goodbye

Be a bird pass me by

As if

I'm gonna let you break my heart again

As if I'm gonna let your love back in my life

Not tonight, catch my drift

Baby as if

[Brandi](Natina){Shamari}

{Oh, oh, oh, oh...}

You gotta go, you gotta go bye-bye

{Oh, oh, oh, oh...}

As if

(Never gonna take you back, whoo!)

I, I got places to go (Go)

With people you don't know (You don't know 'em)

We're gonna dance all nice and slow (Ha, ha, ha)

[Blaque]

Don't shake your head from left to right

Saying that you've changed and now you're on my side

Cause you know you just want some lucky charm

And it's that game that you play

So I'm moving on

As if

I'm ever gonna take you back

As if

It's ever gonna come to that

So be a dear, disappear

Maybe I'm not being clear

As if

I'm gonna let you break my heart again

As if I'm gonna let your love back in my life

Not tonight, get a grip

Baby as if

(Oh, oh, oh, oh...)

No, no, no

As If

I'm gonna let you break my heart again

As if

I'm ever gonna take you back

As if

It's ever gonna come to that

So see you 'round, wave goodbye

Be a bird pass me by

As if

I'm gonna let you break my heart again

As if I'm gonna let your love back in my life

Not tonight, get a grip

Baby as if

I'm gonna let you break my heart again

As if I'm gonna let you try and be my friend

It's the end, take the hint

Baby as if

(He, he, he
