oh, mickey

your so fine

you blow my mind

hey mickey

hey, hey

hey mickey

hey, hey 4x

hey mickey,

you've been around all night

and that's a little long

you think you've got the right

and i think you've got it wrong

but can't you say "goodnight"

so you can take me home mickey

cause when you say you will

it always means you won't

your giving me the chills

baby, please

baby, don't

every night your still
leaving me all alone mickey
oh mickey
what a pitty
you don't understand
you take me by the heart
and you take me by the hand
oh mickey
your so pretty
can't you understand
it's guys like you mickey
oh what you do mickey
do mickey
don't break my heart mickey
hey mickey,
now when you take me
by the who's
ever gonna know
every time you move
i let a lttle more sure
thats something we can use
so don't say no mickey
so come on
and give it to me
any way you can

any way you want to do it

i'll take you like a man

oh please

baby please

don't leave me in the den mickey

oh mickey

what a pitty

you don't understand

you take me by the heart

and you take me by the hand

oh mickey

your so pretty

can't you understand

it's guys like you mickey

oh what you do mickey

do mickey

don't break my heart mickey

oh mickey

your so fine

your so fine

you blow my mind

hey, mickey

hey, hey

hey, mickey

hey, hey

2x

oh mickey
what a pitty
you don't understand
you take me by the heart
and you take me by the hand

do mickey
don't break my heart mickey
