Performed by Atomic Kitten)

Yeah, yeah, yeah

Oh, baby

Yeah, yeah, yeah

I've been lookin' and desertin' my baby

For the one who'd be true

And I thought that I had findin' my boy

But now I know it's not you

[Bridge]

Cos you can see me running

But you're standing still

You don't believe it's coming

But you know that it will

[Chorus]

So baby, see ya. Oh, right

I wouldn't want to be, yeah, to night

Let me make it clear, yeah

Oh, right

You're not the one for me, yeah

Yeah, yeah, yeah

Well there's plenty my way you came from

So I think I'll go fish

Cos there's a great big ocean out there, I'm going

You're not my favorite dish

Cos you can see me sinkin' like I told you so

I need a new direction

But you won't let me go

[Chorus]

[Bridge]

[Chorus] 2x
