Performed by Sister 2 Sister)

what's a girl to do  
with a boy like you?  
what's a girl to do?

you love me with your eyes,  
you melt me with your smile  
and I can't resist you!  
you always look so cute,  
your clothes your attitude,  
and I just wanna kiss you!

but don't get so tense when I hang with my friends  
'cause it's not makin' sense and it's not like you!

what's a girl to do  
with a boy like you?  
what's a girl to do  
with a boy like you?

who wants to spend,  
from now until the end,  
of time with me?  
I don't want to fight,  
I want to make it right,  
and I want you to be happy

so don't get uptight if I don't call tonight,  
'cause I've got a right, boy, to live my life

what's a girl to do  
with a boy like you?  
what's a girl to do  
with a boy like you?

tell me what do do?  
what's a girl to do?  
what's a girl to do?

so don't get uptight if I don't call tonight,

'Cos I've got a right, boy, to live my life

what's a girl to do  
with a boy like you?  
what's a girl to do  
with a boy like you?

what's a girl to do  
with a boy like you?  
what's a girl to do  
with a boy like you
