everything reminds me of my dog  
the guy in ther store  
telephones...yoohoo  
taxicabs  
if you remind me of my dog we'll probably git along  
little doggie git along  
git along little doggie git a...  
smiling at strangers(better let them know you're  
friendly)  
the way people dress reminds me too,pissing on their  
favourite tree  
sad things  
cockroaches and other insects remind me too, don't hit  
them  
the blank expression of the little boy with thick glasses  
who picks  
himself up from the sidewalk and stands there blinking  
in the sun  
if you remind me of my dog we'll probably git along  
little goggie git along  
git along litle doggie git a...  
like the man on the subway  
sitting across from me  
and every time i looked at him he smiled  
and by the time  
i got to the end  
of the subway line  
i'd given him at least...oh...25 cookies  
guys in bars remind me of my dog  
the way it takes you so long to choose the perfect table  
if you remind me of my dog we'll probably git along  
little doggie git along  
git along little doggie git along  
(me and my ferocious dog we're walking down the  
street  
and everyone we meet says "ach yer a goot  
doggie!...")  
except when we go for a walk  
to get the sunday paper  
i stand there and read the headlines  
he reads the wind  
sometimes he hits a funny smell and laughs

i hate it when he does that-i feel so dumb  
what? what? i say  
everything reminds me of my dog  
beautiful things  
sunsets remind me of my dog-gina go to your window  
einstein reminds me of my dog-i want to pat his fluffy  
head  
this whole world reminds me of my dog  
my dog reminds me of this whole world  
do i remind you of a dog?(thump thump) i do? (faster  
thump)  
skyscrapers remind me of my dog sitting in the tall  
grass waiting for a rabbit  
guys in red camaros too-it's getting to be a habit  
artists remind me of my dog staking out their  
originality on the nearest tree  
old folks remind me of my dog  
my dog reminds old people of their  
dogs(barfy,ruffo,beanhead)  
gina says i remind her of the dog the way i just did that  
golfers teeing off remind me of myu dog the way he  
sits by me and shifts on his  
front paws-what is it you  
want? look at it, do you want to go for a walk, want a  
cookie, do you want me  
to dial the number for you?
