You, give me a thrill
I lose my self-control
when you are near
you sexy girl... x4
I'm not drunk
i'm over joy,
since you wash away the pain
With you life became so good
'cause love ain't so easy to find..
Restless nights,
thinking of you,
let my troubles in the past
all I need is give and take,
'cause love ain't so easy to find..
You've got emotion
your love is like the ocean
my heart's on fire
I feel this great desire... x4
Hold me tight,
I won't let you go
every single breath you take.

reach my senses deep inside

'cause love ain't so easy to find

Like a child

you play with fuel,

Girl I love the way you talk

nothing matters when you're near

'cause love ain't so easy to find
