Chorus

I'm barely gettin by  
Still work-a nine to five  
I'm barely gettin by  
That's why I'm stayin high  
Oh baby, aw

Jump into the ride, cruise the big S.D  
Homerows and the originals and P.O.D  
And it won't be long till you hear from me  
Hopefully I'm not lying that's what they told me  
Make the town proud  
Make the brown proud  
Ever since Brown Crowd  
Lil Rob gots his sound down  
And I'm still down  
Some things just don't change  
Like crusin on Sundays  
Sleepin on Mondays  
Drive thirty on highways  
Drinkin on my driveway  
My four nine eight still pays fourty five ways  
That's how I do it  
I thought you knew it  
If you didn't now you do  
Smoke this, this bud's for you

Chorus

Open up my eyes  
I look hypnotized  
I feel hypnotized  
I apologize  
This is recognized  
As bein really high  
All day everyday this is my way of getting by  
Makes me thinking  
No way that you need me  
Makes me feel different about the streets that I creed  
Makes you feel good about em  
What would I be without em

Couldn't be without em  
Wouldn't be me without em  
Lil Rob fuckin clowns em  
Twenty six years in the same town  
I remember how we used to be it's not the same now  
It's still something that I'll drink a beer to  
Viva La Colonia Southern California

Chorus

Wait a minute check this out

I'm very very high  
I'm very very high  
It's time to say goodbye

Keep it on the low  
Time to let you know  
I don't wanna go  
But I gotta go  
Till the next time around  
Catch you on the rebound  
Until then go and bump my jam round your town

Chorus(x2)
