Britney:

(Spoken)

For whatever reason,

I feel like I've been wanting you all my life.

You don't understand.

I'm so glad we're at the same place at the same time.

It's over now.

I spotted you dancing,

you made all the girls stare.

Those lips and your brown eyes

and your sexy hair.

I should shake my thing,

I make the world want you.

Tell your boys you'll be back.

I want to see what you can do.

What would it take for you to just leave with me?

Not trying to sound conceited,

but me and you were meant to be.

You're a sexy guy, I'm a nice girl.

Let's turn this dance floor into our own little nasty world.

Boys,

Sometimes a girl just needs one.

Boys,

To love her and to hold.

Boys,

And when a girl is with one.

Boys,

Then she's in control.

N.E.R.D.:

Pulled a girl off the dance floor,

whispered in her ear.

She must've said something bout me,

cause now she's looking over here.

You're looking at me,

with a sexy attitude.

But the way your girl is moving it,

it puts me in the mood.

What would it take for you to just leave with me?  
Not trying to sound conceited,  
but me and you was destiny.  
I'm from N.E.R.D.,  
Aren't you Britney?  
Let's turn this dance floor into our own little nasty thing.

Girls,  
I can't pick for no one.  
Girls,  
But I need her all the time.  
Girls,  
I don't know bout your girl.  
Girls,  
But I know she doesn't mind.

(Britney's Chorus)

Here we go.  
Have no fear.  
Baby, what are you waiting for?  
Uh, uh.  
Let me see what you can do.

(Britney's Chorus)

(Pharrell's Chorus)

Can't live with 'em.  
Can't live without 'em
