She's got a hipster boyfriend and he wears some black  
clunky shoes  
and he likes to smoke American Spirit cigarettes  
and he's got a gas station jacket that says his name is  
MOE  
and he hangs out at all the Punk Punk Punk Punk Punk  
rock shows

hipster boyfriend hipster boyfriend she's got a hipster  
boyfriend  
hipster boyfriend hipster boyfriend she's got a hipster  
boyfriend  
and she loves him so...

she's got a hipster boyfriend and he drives a white  
dodge dart  
when they go out shopping at thrift stores  
and they wear \*"slanted plastic glasses" when it's  
bright  
and they're gonna go home and read Gearhead  
tonight  
hipster boyfriend hipster boyfriend she's got a hipster  
boyfriend  
hipster boyfriend hipster boyfriend she's got a hipster  
boyfriend  
and she loves him so...

\* the term "slanted plastic glasses" appears courtesy  
of Dr. Frank and the
