Atashi wa hidoku mogaiteta kara
Sukui no koe sae kikoenakatta no
Dareka no kuchibiru ga ugoku tabi
Kono hada wa iro wo kaete yuku
Hakike ni tsuburete yuku naka de
Yawaraka na tenohira ni fureru
Douka kanzen na monotachi ga
Sokora juu ni afurenai you ni
* We can go to the place Where we're forgiven
Mimi wo fusaidemo
Sakebitsuzukeru kara
We can go to the place
Where we get freedom
Hane wo nakushitemo
Atashi wa toberu kara
Moumoku no hibi ni nomarenagara
Atashi wo yobu koe ga kowakatta
Douka hikari kagayaku monotachi ga
Futari wo okashite shimau mae ni
We can go to the place
Where we're forgiven
Nakushita mono wo
Sagashi ni yuku kara
We can go to the place
Where we get freedom
Hada ga atsui no wo
