I don't know why but today seems like it's gonna be a  
great day  
There's something in the air that makes me feel like  
things are gonna go my way  
The birds are chirping tweet a lee deet  
The sun is shining bright  
There's a give in my step a pep in my pep  
And I don't know why

Wonderful day makes me feel so happy that my face is  
nab  
My heart is racing a long rap-a papapapa  
So many places and people to mmet  
Now that I've lost my job  
They say young man the worlds always right-  
GET THE \*\*\*\* OFF ME! NO! \*\*\*\* NO!

I don't know why but today seems lie 9its gonna be a  
great day  
Lalala blah blah blah blah  
I should spend more time with my kids  
There's carpeting to cease the day  
I gotta move to spain  
Gotta run with the bulls  
And my wife and boss and kids and parents wil say  
We were wrong about you, Dennis

HEY, DENNIS!  
That's MY NAME  
ARE YOU REALLY GONNA RUN WITH THE BULLS?  
WHY WOULD I DO THAT?  
CUZ YOU SAID YOU WERE GONNA1  
C'MON MAN THAT WAS LIKE THREE DAYS AGO!  
OR WAS IT!  
Some of the guys make me feel fine and fancy free  
So much of the ocean is still unexplored  
How did I get up in this tree?  
Now I'm over here  
Now I'm over there  
Now I'm under this dude  
Now I'm back in the tree

Now I'm hanging out backstage with my very best  
friends,  
Al Paul? and Tom Petty

GET THE \*\*\*\* OUT OF HERE  
WHAT!  
NOW.  
TOM... !  
Why would they diss me?  
I thought they were my homies!

Any problem is solvable  
We can't feed the hungry  
And cure disease  
But all of that would be a huge waste of time cuz we  
live in  
The matrix!

WHAT IS WRONG WITH HIM!  
HE'S ON DRUGS  
OH.
