maria white trash  
woke us up in the middle of the night  
maria white trash  
came from Clovis to save a life  
maria white trash  
let us know when he was turning blue  
she let us know when the party was through

open your eyes. open your eyes  
it's not time for you to leave us yet  
open your eyes. open your eyes  
that's a thing we won't accept  
talk to me. talk to me  
sheriff of the alleyway  
talk to me. talk to me  
don't give up

maria white trash  
it's a good thing you were in the joint  
maria white trash  
earned a million karma points  
maria white trash  
together we did something great  
we pulled the big man from the edge

open your eyes. open your eyes  
it's not time for you to leave us yet  
open your eyes. open your eyes  
that's a thing we won't accept  
talk to me. talk to me  
sheriff of the alleyway  
talk to me. talk to me  
don't give up

and still he's breathing. and still he speaks  
he's walks among us  
the devil dog from flushing. queens  
and still he's lurking. and still he creeps  
he's still around  
the devil man from NYC  
the alleyway - fantasy's raging  
the alleyway - his fantasy's deep

the alleyway - he walks among us  
the devil dog from flushing. queens  
the alleyway - fantasy's raging  
the alleyway - his fantasy's deep  
the alleyway - inked up like crazy  
the devil man from NYC
