I don't fucking understand you  
You always tell me to think for myself  
But when I disagree with what you say  
You turn around and put me down  
I don't know why you have to play These high and  
mighty power trip games

Your double standards are pissing me off  
You've got a set of rules for you and another for us  
You're no better, you're no worse  
But it's time you stop acting like a fucking jerk

I don't fucking understand you  
You always tell me to think for myself  
But when I disagree with what you say  
You turn around and put me down  
I don't know why you have to play  
These high and mighty power trip games  
I really wish you would quit  
'Cause we know you're full of shit
