(Chorus)

You've got 7 smiles,
That light up my day
By the way
I've gotta say
You're the one,
The one for me
Boy can't you seeâ€¦!

Your first smile wakes me up in the morning
That's your warmest one of allâ€¦!
Second one is in the hall---
That's the smile that catches my eye
I almost die, when the third one comes aroundâ€¦!
I try not to laugh, yet it turns my
Frown up side down

(Chorus)

You've got 7 smiles,
That light up my day
By the way
I've gotta say
You're the one,
The one for me
Boy can't you seeâ€¦!

The fourth one comes around
N' I try to stand my ground
But it made me smile
And for a while
What about that fifth one
That drives me crazy,
Well maybe it's the way you areâ€¦! now your sixth smile
Has me over the moon-----
Pretty soon, you'll be in my mind
About all the time

(Chorus)

You've got 7 smiles,
That light up my day
By the way

I've gotta say
You're the one,
The one for me
Boy can't you seeâ€¦!
