I'm a girl
A girl with music in her blood
With a brain, that's going insane
Beating to a guitar and bass
Let me tell you - I won't let thing talent go to waste

(Chorus)
I'm a girl with attitude
Let me tell ya dude
I could be mean then nice
It's just like rollin' dice
You'll never know just what you'll get
'Cause I'm a girl with attitude

Flippin' outâ€¦
I just wanna shout
Don't get in my way
You'll regret it one day
'Cause dude
I've got thing called attitude

(Chorus)
I'm a girl with attitude
Let me tell ya dude
I could be mean then nice
It's just like rollin' dice
You'll never know just what you'll get
'Cause I'm a girl with attitude

You better watch what you say
N' you better move out of my way
'Cause today's not the day
To mess with me
Unless you don't want to seeâ€¦
The light of tomorrow

(Chorus) *soft*
I'm a girl with attitude
Let me tell ya dude
I could be mean then nice
It's just like rollin' dice

You'll never know just what you'll get
'Cause I'm a girl with attitude

(Bridge)

I'm a girl with attitude
I could be mean then nice
You'll never know just what you'll get
So don't mess with me

(Chorus)

I'm a girl with attitude
Let me tell ya dude
I could be mean then nice
It's just like rollin' dice
You'll never know just what you'll get
'Cause I'm a girl with attitude
