I step on that court  
Feel the energy so pumped up  
Blood rushin' at the speed of light  
Take a deep breath, N' close my eyes  
Get the picture and visualize  
I've practiced so had to get where I'm at today  
Nothing can get in my way

When that clock starts I'm in control  
This is my stage - In the spotlight I shine n' glow  
I got tricks like you doing even know  
I workout, I get my exercise  
Yeah - I'm one of the wise

(Chorus)  
B-A-S-K-E-T-B-A-L-L  
That's the sport in which I excel  
I follow all the rules  
N' do what the coach tells me to do  
Never doubt their advice  
'Cause I know in my heart they're right  
Some like to call it an obsession  
But I'd like to think of it like my passion

I fake to my left, Pass to my right  
Cut straight down the middle  
At full speed  
For a give n' go  
Strong on offence, stronger on defense  
That's the only way to win
