"Broken Heart"

My hearts been broken before
There for I know
To watch before I run
I know what it's like
To have a broken heart
So you gotta watch from the start---

(Chorus)
Broken hearts are complicated
It takes tome to readjust
To go back to that natural beat
Like you're the new kid growing
Up on the streetâ€¦
Drumming to a different beatâ€¦---

You say you'll never find another love
Guess What?
Baby, you can't give up
You gotta keep your head high
Reach for the stars in the sky
