When you come around me I get this feeling
Makes me lose control
You make me say what I got in mind
Thought I gave you all the signs

(Chorus)
When ever I'm with you
It's like I'm floating on a cloud
Way up in the sky
N' I don't wanna come down
I'm floating on a cloud

You make me go crazy
I'm just looking for a maybe
I just want this feeling to stay
N' never goes away
My heart starts beating double the time
Only when you're on my mind

(Chorus)
When ever I'm with you
It's like I'm floating on a cloud
Way up in the sky
N' I don't wanna come down
I'm floating on a cloud

When you're near me I get weak
Fall right off my feet on to my knees
I can hardly speak
Something taking over me

(Chorus)
When ever I'm with you
It's like I'm floating on a cloud
Way up in the sky
N' I don't wanna come down
I'm floating on a cloud

Oh-oo Yeah
Floating on a cloud
Woo don't wanna come down

No-oo
Uh-oh floating on a cloud
