I'm standin' on the side of the road
As your drivin' away
N' I'm screamin' please don't go
I want you to stay
I feel a tear rollin' down my face
As I feel my heart start to race
Standin' here alone
'Cause you're already gone

(Chorus)

N' I'm lost
Tryin' to find my way back home
To where you're at
Can't we just go back?
Back to how things use to be
Before we grew apart
N' I'm lost
'Cause I know we could make it through
N' also cause I love you

Walkin' down the road
It's startin' to get cold
There's not a car in sight
But I'm hopin' you might
Just drive on by
N' see if I'm alright
