All the people stare as I walk by
I'm tierd of all their laughs
And I'm tierd of all their lies
Don't you people realize I just want to live my life
Can't I eat what I want?
With out a comment?
Can't I do as I please?
With out an arguement?

(Chorus)

I'm tierd of all these jokes
I'm tierd of all these games
I'm tierd of being laughed at
I'm tierd of all this shame
People can't you listen?
I'll only say this once
I'm only human
And I'll do what I want

No, I'm not the skinniest
But do you have to call me names?
No, I'm not the strongest
But do you have to call me the weakest link?
I might not be the fastest
But do you have to call me slow?
I might not be the smartest
But will you let me learn so I will know?

(Chorus)

I'm tierd of all these jokes
I'm tierd of all these games
I'm tierd of being laughed at
I'm tierd of all this shame
People can't you listen?
I'll only say this once
I'm only human
And I'll do what I want
