Woke up one mornin'  
Something felt strange  
Thought I was living a night mare  
Then everything changed  
Didn't wanna believe them  
Couldn't face the truth  
Now I'm sittin' here on the floor thinkin' of what to do

(Chorus)  
It wasn't your time to go  
Why'd you have to leave me?  
Please come back to earth  
'Cause it wasn't your time to go€

We had the whole thing planned  
Were gunna be friends till the end  
What happened to the Bagels and Surf Shop?  
We were gunna do a lot€

(Chorus)  
It wasn't your time to go  
Why'd you have to leave me?  
Please come back to earth  
'Cause it wasn't your time to go€

I knew something was different  
Once I walked through the home room door  
You weren't there  
It wasn't fair  
Didn't get to say good-bye  
Can't believe I didn't realize  
Now I cry  
Every time, Every where I sigh

(Chorus)  
It wasn't your time to go  
Why'd you have to leave me?  
Please come back to earth  
'Cause it wasn't your time to go€

(Spoken)

I know it wasn't your time to go  
N' it wasn't fair  
You were my best friend, N' you disappeared like that

(Chorus 2x)

It wasn't your time to go  
Why'd you have to leave me?  
Please come back to earth  
'Cause it wasn't your time to goâ€¦
