I'm no girly girl
I prefer basketball shorts
That those tight ass, mini skirts
Didn't play with Barie Dolls
I was more into the extreme kind of sports
I always thought cheerleaders were a bunch of brats
Cause of the way they looked at me when I wore a hat
I'm not one to get the guys
But I've heard they break your heart so bad that you
start to cry
And think it's the end of your life
See that's to dramatic for me
I'd rather watch the drama on One Tree Hill or The O.C.

(Chorus)
Cause I'm not like everybody else
N' I don't plan to be
Cause being normal just isn't me
I've got dirty-blond hair
Sure, I have my moments sometimes
I'm definitely not a stuck up rich girl
I'm more of the athletic type
Hell no, I don't wear make up
N' I really don't want to be popular
See I'm not like everybody else
N' I don't ever plan to be
Cause being normal just isn't me

My music expands from Hip-Hop to Country
Got posters on my bedroom walls of Chad Michael
Murray
And the hottest hottie James Lafferty
Lyrics are more than just lyrics to me
To everybody they just need a good dancing beat
I sit home on the weekend and write songs
While everybody else I know is probably out playin'
beer pong
I never really followed the trends
Never really cared what outfits I was wearin'
A hundred and eighty-one songs
Why should I stop now?

Even though everybody looks at me weird and says wow
Sometimes I'm a little bold
It's not my fault some people are just cold
I'm that girl who fights for a chance worth taking
Everybody else is all talk, I could tell they're just faking

(Chorus)

Cause I'm not like everybody else
N' I don't plan to be
Cause being normal just isn't me
I've got dirty-blond hair
Sure, I have my moments sometimes
I'm definitely not a stuck up rich girl
I'm more of the athletic type
Hell no, I don't wear make up
N' I really don't want to be popular
See I'm not like everybody else
N' I don't ever plan to be
Cause being normal just isn't me
