Your just another boy love-in me, your just another boy
buggen me, you just won't let me be, oh, oh, oh,
your just one of those boys that wanna know more
about me, well I am the kind of girl that likes wants to
sleep, doesn't want to talk in the morning, I am
the kind of girl that wants to run away, I am the kind
that listens to pop & rock too, hey baby I think that your
just another boy I crushen on, talking to all day, looken
to all the time, oh baby you're my hero, but your
just another boy, I love me.
