I don't know
What you want me to be
Lately it's just the devil in me

I got a bad history
Of mental activity
I mean it quite literally
3000 hits of LSD

It's something inside of me
Fucked up by philosophy
Oh, oh all this hypocrisy
Truth is in oz's
So I smoke trees
With no seeds
Keeps me hazy, lazy, crazy

I don't know
What you want me to be
Lately it's just the devil in me

Everyone's too busy
Tryin' to sound like Jay-Z
Is it really hard for all the G's
To find originality?
Sick of this shit
So I'm pulling your card
Don't come back till you're verbally scarred

For sure I'll be an animation of the
Gun of Kennedy
Tellin' the truth has got to be
The hardest shit in history
The industry is killing me

I don't know
What you want me to be
Lately it's just the devil in me

So what'cha got ot say to me
That I don't know already?

All this shit weighin' on my head
Is so oh heavy

Take it away cause it's so heavy...

I don't know
What you want me to be
Lately it's just the devil in me

It's just the devil in me
