Im not ashamed of the things that i dream

I found myself flirting with the firge of the obscene

Into the unknown I will be bold

Im going to the places i can be out of control

Bridge: And I don't waant to explain tonight

all the things I've tiried to hide

I'll shut my self out from the world so I

can draw the blinds

Then I'll teach myself to fly

I love myself, it's not a sin

I can't control what's happening

Chorus: Cause' I just discovered

Imagination's taking over

Another day without a lover

The more I come to understand

The touch of my hand

The small of my back

The arch of my feet

Latley I've been noticing the beatiful on me

The mole on my skin

And I'm not gonna wait

I'm into myself in the most precious way

Bridge, Chorus

There's a world undefined

In my body and mind

I won't be left behind

I'm already here

Chorus 2

Hey hey hey ohh

Hey yeah

Hey hey hey ohh

Yeah hey hey hey
