What can I do?
To make you feel secure
Remove all your doubts
So that you'll know for sure
That you're the apple of my eye girl
Fulfillment of my dreams

Time, will show the value
Of just what you mean to me
More precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thing
If you didn't have my love
Beside you there to guide you
Through well it is good to know you do

I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep
Inside of us will all reveal in time

I tell you I love you,
But you won't believe it's true
More precious than silver
More precious than diamond rings
Or anything that I can give you
It wouldn't mean a thing
If you didn't have my love
Beside you there to guide you
Through well it is good to know you do
Ahhh...

I know just how you feel
But this time love's for real
In time it will reveal
That special love that's deep
Inside of us will all reveal in time

Oh, that special love in us will all reveal in time

So let you're little heart lay down my body
