All my life  
I've been dreamin' of  
A kind of love I can call my own  
Around the world  
I've been searchin' for  
A brand new love I can call my own

I've been in love so many times before  
But it all comes down to nothin' but despair  
Now that I've found you  
I couldn't ask for more  
You have given me reason to live  
You got my heart repaired oh ohh...

You're the one I've been dreamin' of  
You're the one I've been dreamin' for  
Well, life can't be so meaningful now, baby  
Coz I know that you're the one  
Ooooooh...

All my life  
Never felt like this  
So much in love with you alone  
You're the song I sing  
And the air I breathe  
You're the gold that glows deep  
Inside of me

I've been in love so many times before  
But it all comes down to nothin' but despair  
Now that I've found you  
I couldn't ask for more  
You have given me reason to live  
You got my heart repaired oh ohh...

You're the one I've been dreamin' of  
You're the one I've been dreamin' for  
Well, life can't be so meaningful now, baby  
Coz I know that you're the one  
Ooooooh...

Oooh baby...yeah

You're the one I've been dreamin' of  
You're the one I've been dreamin' for  
Well, life can't be so meaningful now, baby  
Coz I know that you're the one  
Ooooooh...
