I
I'm sorry, but pride has muted me
Maybe I know just what you'll say (Oh! No no!)
It's how much you hate the things I do
My lies are hurting you
How numb I've become
Don't say "Soon baby you'll find me gone"

Chorus:
So this time I won't speak I won't say a word
Let the silence bring us closer together
If you feel like crying then let it be
Let my heart reach out in silence and you will see
How I'm sorry Oh baby
How I'm sorry (I'm sorry)
How I'm sorry

II
I'm certain we'll make it just like before
But I know not how, my mind just can't recall (Oh! No no!)
What did I do to make you stay?
How did I turn your doubts away?
Did I insist it's just okay?
Confused I need to find my way to you

Chorus:
So this time I won't speak I won't say a word
Let the silence bring us closer together
If you feel like crying then let it be
Let my heart reach out in silence and you will see
How I'm sorry Oh baby
How I'm sorry (I'm sorry)
How I'm sorry

(Instrumental)

It's how much you hate the things I do
My lies are hurting you
How numb I've become
Don't say "Soon baby you'll find me gone" (Oh! No no!)

Chorus (Higher):

So this time I won't speak I won't say a word

Let the silence bring us closer together

If you feel like crying then let it be

Let my heart reach out in silence and you will see

How I'm sorry

How I'm sorry (I'm sorry)

How I'm sorry

How I'm sorry Oh baby

How I'm sorry (I'm sorry)

How I'm sorry
