I wanted to tell you
the world as I see
is just as exciting
as its made out to be

I seek out your wisdom
it feels only right
'cause I've found the meanin' of life
now come along for the ride
I'm happy, mm
I'm happy, mm

The secret is simple
all you need is belief
think positively
then only will you see
that's all you need from me

the crossroads are many
take whichever you feel
and then when you can see
just what you wanna be
you'll sing it just like me
I'm happy, mm x2
I'm happy, mm x2

There's not much you gotta do
just find a little something for you
to hold on to
you fix what you can and for what you cannot
just get on with what you do
and enjoy it, like I do
so contented and I'll sing for you

I'm happy, mm
I'm happy, mm
I'm happy, mm
I'm happy, mm
I'm happy, I'm happy, I'm happy, I'm happy, I am
I'm,
I'm happy, I'm happy, I'm happy, I'm happy, I am
mm I'm happy
