aint no love aint no use aint no love aint no use aint no  
love aint no use  
give me the one give me the one give me the one  
thing im askin 4 you lie and you cheat and you fall no  
your feet you know i aint gonna take no more why cant  
ya b good like a rill of the one and be faithful 2 me  
never decive me and  
let it all out get it all out let it all out their (---show me  
instrumental---)  
wen eva i try to communicate i see ya lookin 4 the door  
you find an excuse to be wit ya friend ya know i aint  
gonna take no more

cos their aint no love and their aint no use OHH  
gotta walk on by better walk on through HEY HEY aint  
nothin in the work that you can do OH OH cos their aint  
no love  
and their aint no use

cos their aint no love and their aint no use OHH  
gotta walk on by better walk on through HEY HEY aint  
nothin in the work that you can do OH OH cos their aint  
no love  
and their aint no use

cos their aint no love and their aint no use OHH  
gotta walk on by better walk on through HEY HEY aint  
nothin in the work that you can do OH OH cos their aint  
no love  
and their aint no use

aint no love  
aint no use  
aint no love  
walk on by  
aint no use  
their aint no love  
no use
