When the night falls down  
I wait for you, and you come around  
And the worlds alive  
with the sounds of kids on the street outside

When you walk into the room  
You pull me close and we start to move  
and we're spinning with the ? a glow  
and you lift me up in a wave of love

heaven...

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say it ain't heaven  
love comes first  
we'll make heaven our place on earth

ooh heaven is a place on earth

ooh baby do you know what that's worth?  
ooh heaven is a place on earth  
you say it ain't heaven  
love comes first  
we'll make heaven our place on earth

ooh heaven is a place on earth (x3)

ooh heaven...(x4)
