ORIGINALLY SUNG BY BASIL VALDEZ

You give me hope,  
The strength, the will to keep on;  
No one else can make me feel this way  
And only you  
Can bring out all the best i can do;  
I believe you turn the tide  
And make me feel real good inside

You pushed me up  
When im about to give up;  
You're on my side when no one seems to listen  
And if you go,  
You know the tears can't help but show  
You'll break this heart and tear it apart  
Then suddenly the madness starts

CHORUS:

It's your smile,  
Your face, your lips that i miss,  
Those sweet little eyes that stare at me  
And make me say,  
I'm with you through all the way

'Cause it's you  
Who fills the emptiness in me;  
It changes ev'rything, you see  
When i know I've got you with me

You pushed me up  
When I'm about to give up  
You're on my side when no one seems to listen  
And if you go,  
You know the tears can't help but show  
You'll break this heart and tear it apart;  
Then suddenly the madness starts

REPEAT CHORUS
