*Baby, thrill me, thrill me!
Take me higher!
Won't you thrill me, thrill me?
I just wanna feel so crazy, now
Thrill me, thrill me!
Make me fire!
Baby, thrill me, thrill me?
Won't you beat me more and more tonight?

Come on, shake, shake my body!
Left and right, down and up
Come on, shake, shake your body!
Hold me tight, never stop!

**Body, thrill me...
Shake my body...
Won't you thrill me...
Shake your body, tonight...
